PARTNERSHIP WITH NINETYNINETOONE

“Seeking to be a means of support, encouragement and resource to the people of Christ”

## PARTNERSHIP WITH NINETY NINE TO ONE

In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.

Philippians 1:4-6

Ninety Nine to One has been working in the UK, Brazil and the Philippines for almost four years. We have been a registered charity ([UK Charity Registration No: 1098774](#)) for the past two years.

It is our deep desire to continue in the vision that The Lord Jesus has given to us.

A vision of supporting His people all over the world. To see His church encouraged and built up.

To be a means of resource and prayer for them and the work that God has given them to do.

Many things have happened over the past four years, especially over the last two years.

You can find out more by taking a look at our website: [www.ninetynineteone.org](http://www.ninetynineteone.org).

God is continuing to envision and lead us on into new relationships and opportunities to serve the church in many parts of the UK, Brazil, The Philippines and elsewhere.

Ninety Nine to One is called to work with all of God's people whatever denomination, streaming or grouping. It is only important that we see those who love and serve The Lord Jesus and be an encouragement and support to them.

### Partnership

Because God has given such an opening of opportunities to build relationships across His Church, enabling us to get along side our brothers and sisters and to be a help and support to them ([Exodus 17 v 12](#)) Ninety Nine To One has decided to initiate a new "Partnership Scheme".

## WORKING TOGETHER FOR THE SAKE OF THE GOSPEL

So they signalled their partners in the other boat to come and help them, and they came and filled both boats so full that they began to sink.

Luke 5:7

It is of vital importance that the people of God work as partners in the Gospel and encouragement of His people. To demonstrate the love and unity of the body of Christ.

The vision and work that lies ahead of NNTO is extensive and requires that we call to our brothers and sisters to help us fulfil the task we have been given.

### How it works

The Partnership Scheme works by folk like yourself becoming a Prayer Partner or a Prayer & Financial Support Partner. You could, for example: Commit to being a regular [Prayer Partner](#). You would give some time on a regular basis to stop and pray for the work of Ninety Nine to One. In turn we would place you on our email/postal prayer list and supply you with regular updates of our work through our newly launched Newsletter "NNTO NEWS". If you wish to know more about a specific area of our work, for example you might want to know more about our work with Brazilian children through "Espaco Da Crianca" ([Space For The Children](#)) or the work in the Philippines, such as the building of a new church in the village of Sierra, we could provide more in depth information for you. We would ask that you

consider letting your own church/group know about Ninety Nine To One and our vision and maybe allow us to come along and talk about our work or put up a display for your church/group to look at. You could come and join us at our monthly prayer time, held on the first Friday of each month.

Or you might want to commit to being a [Prayer & Financial Support Partner](#). By becoming a Prayer & Financial Support Partner we would ask that you give yourself to praying for us in the same way as a Prayer Partner would but also that you would, having prayed about it, commit to regular financial support on a weekly, monthly or some other time span that you feel comfortable with.

Please pray about becoming a partner with us in helping to encourage, support and resource the people of God across the world and in the UK. If you are a UK tax payer "Gift Aid" certificate is over on the back of this leaflet

Ninety Nine To One is a registered charity, registered with the UK Charities Commission Registration No: 1098774.  
Overleaf is a "Gift Aid" form should you wish to make a donation and sign a declaration that would enable NNTO to receive a further 28% tax refund.
