In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.

disabilities. It may be the elderly who have no family to help support them or a community's children that are in need of a shelter or nursery.

A town's slum area that is being changed, where those who are marginalised by society find help with housing that is clean and safe, giving support to folk to enable them to gain skills, to make investment into their lives to help create work in order for them to provide for their families. Purchasing equipment for church musicians or seating for their congregations. The bringing together of folk from all kinds of church and societal backgrounds, to work out together what it truly means to be one in Christ. Spending time, energy, prayer and finance to encourage and build up the many Christian brothers and sisters in the Philippines, Brazil and the UK.

To strengthen and help lift up those who are finding life difficult, helping them to keep their eyes on Christ and His love for them.

All of these things and more need a strong

prayer, practical and financial support base.

Will you consider how you, your church or group may be able to get behind the work of Ninety Nine To One? There are several ways that you could support us.

Firstly you could get involved by becoming a “Partner with Ninety Nine To One” The Partnership Scheme works by folk like you becoming a Prayer Partner or a Prayer & Financial Support Partner.

Ninety Nine To One need folk who are able to be praying for our work and for the folk in Brazil, UK and the Philippines.

Maybe you might want to consider financially supporting our work, either as a “One-Off” or on a more regular basis for a specific project or part of our work or for our general funds. Either way we promise that whatever is donated, 100% will go to

the folk who need it.

We have a “Partnership with NNTO” leaflet available for you if you should like one, or you might like to download it from our website via our “Support NNTO” page. By going to this page you will also find other ways to donate using our bank details or by giving via “Pay Pal”.

We send out packages of useful items to the Philippines via our “Packs for the P.I” project. Maybe you would like to help in this way by donating quality goods for the packs or help support the cost of sending the packages to the Philippines.
